

REMARKS/ARGUMENTS

Entry of this Amendment After Allowance Under 37 C.F.R. 1.312 is respectfully requested since it does not add any new matter or require further consideration and/or search. More specifically, dependent Claim 54 has been amended to correct a typographical informality noted therein by changing the expression "electing means" to -- electing device -- since the antecedent basis for "electing device" appears on line 2 of Claim 53 from which Claim 54 depends. With respect to dependent Claims 79-82, there is a typographical informality in that the preamble of these claims recite "A docking station" while the preamble should actually recite -- A mobile telephone -- since all of these Claims 79-82 depend from claims directed to a mobile telephone. The typographical informalities in dependent Claims 54 and 79-82 were discovered by applicant's attorney during a post-allowance review of the claims and applicant's attorney has been diligent in correcting any informalities that he has become aware of.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
